Education

Sylhet International University, Sylhet, Bangladesh **Expected June 2026**
B.Sc. in Computer Science and Engineering
Currently in the final semester.

Research Publications

- **Towards An XAI-Enhanced Machine Learning Framework for Unmasking Cybersecurity Threats with Intelligent Feature Scoring in Telesurgery**, presented at **QPAIN 2026**.
- **BNFF-WaveGraph: A BiDirectional Node Fusion–Fission Hybrid Deep Learning Architecture for Android Malware Detection**, presented at the **11th IEEE WIECON-ECE 2025**.
- **Genetic Algorithm with Optimised Extra Tree Ensemble for Enhanced Intrusion Detection in IoMT Networks**, presented at the **11th IEEE WIECON-ECE 2025**.
- **Towards A Machine Learning-Enabled Framework for Cybersecurity Threat Detection in Telesurgery**, presented at the **IEEE CS BDC Summer Symposium 2025**.

Work Experience

Junior Shopify Developer **Oct 2025 – Present**
ArtifyLab (UK Registered Company), Remote
- Develop and maintain custom Shopify themes using Liquid, JavaScript, and CSS for international clients.
- Optimize store performance and integrate third-party APIs to enhance e-commerce functionality.

Exam Invigilator **2022 – Present**
British Council, Sylhet, Bangladesh
- Ensure the integrity and security of the examination environment for international tests.
- Manage test day procedures and maintain strict adherence to examination board regulations.

Content Transcriber (Type Writer) **2018 – 2023**
10 Minute School, Remote [cite: 22, 24]
- Transcribed educational video content into written format with high accuracy[cite: 23].
- Collaborated with content teams to ensure timely delivery of materials for publication.

Projects

- **Thyroid Cancer Prediction Using Machine Learning:** Developed a model to analyze medical data and predict the likelihood of thyroid cancer, aiming for high accuracy and recall.
- **Medical Information Hub for Sylhet:** Designed and developed a centralized web platform for accessing information about doctors, clinics, and medical services within the Sylhet region.
- **SIU ICT Fest 2025 Official Website:** Led the development of the official website for the university's ICT festival, featuring event schedules, registration forms, and dynamic content updates.
- **E-commerce Pharmacy Website:** Created a functional online pharmacy website with features for browsing products, managing user accounts, and processing orders.

Technical Skills

Languages:	Python, C++, Java, JavaScript
Web Technologies:	HTML, CSS, Bootstrap, JS
Machine Learning:	Scikit-learn, Pandas, NumPy, TensorFlow/PyTorch
Databases:	MySQL, [Any other database you know]
Tools & Platforms:	Git, GitHub, VS Code, bdapps

Online Problem Solving

- Solved 500+ problems on various platforms.
- Codeforces: FuadHasan43
- LeetCode: fuad43002

Achievements and Extracurricular Activities

- **Coder of the Month:** Awarded by the CSE Department, Sylhet International University (February 2025).
- **Assistant General Secretary**, SIU CSE Society, Sylhet International University (May 2023 – June 2024).
- **Certificate of Appreciation:** Received from Futurenation (a UNDP organization) for contributions as a Campus Ambassador.
- **Competitive Programming Contestant:**
  - 1st Runners-Up SIU ICT Fest 2025-IUPC (2025)
  - ICPC Dhaka Regional Onsite Contest (2023)
  - SUST Inter-University Programming Contest (2022, 2024)
  - DUET Inter-University Programming Contest (2025)
  - UIU Inter-University Programming Contest (2025)
  - 7th Place in Programming Contest by Sylhet Bondhusava.
- **Campus Ambassador & Developer:** Represented and developed applications for the **bdapps** platform.
- **Campus Ambassador: Futurenation** (UNDP).
- **Volunteer:** Bangladesh Physics Olympiad, Sylhet Division (2024, 2025).
